RECORD OF FACILITIES AND DEALINGS

Please list all certified facilities within which you work and, if working with GMOs, indicate all GMO dealing identifiers that you are working on

OGTR Certification Number	Facility Room Number(s)	Building	Working with GMOs? (Yes/No)	GMO Dealing Identifiers (Exempt/NLRD/DNIR & IBC/OGTR Number)

RECORD OF TRAINING COMPLETED

All personnel working within PC2 OGTR certified facilities irrespective whether working with GMOs must read the guidelines relevant to the facility/area. Please check the box to indicate you have read the guidelines below:

Guidelines for certification of a PC2 Laboratory http://www.ogtr.gov.au/internet/ogtr/publishing.nsf/Content/PC2LabV3.2-toc/\$FILE/PC2LabV3.2.pdf Section: Part C: Behavioural Requirements (Pages 16-20)	Version 3.2 – 01/03/2013	<input type="checkbox"/>	Date:
---	--------------------------	--------------------------	-------

Guidelines for the Transport, Storage and Disposal of GMOs http://www.ogtr.gov.au/internet/ogtr/publishing.nsf/Content/tsd-guidelines-toc/\$FILE/tsd-guidelines.pdf	Version 1.1 – 2 June 2011	<input type="checkbox"/>	Date:
--	---------------------------	--------------------------	-------

It is also a university requirement that you complete Biohazard Laboratory Practice training (BLP) every 3 years. Click on the link to take you to the training.	Date BLP completed:
--	---------------------

DECLARATION

By signing this form, I acknowledge that I have read the OGTR guidelines as indicated above in accordance with the Gene Technology Act 2000. I understand and agree to comply with all obligations in relation to these guidelines together with any local area procedures. For all dealings with GMOs I have undertaken the appropriate training and I am aware of the risks associated with the dealings I that I am working with. I understand that failure to abide by these behavioural requirements may result in my exclusion from this facility whether my work involves or does not involve the use of gene technology or GMOs.
